

Join Our Team!

We would like to invite you to join the Advisory Council of Ortonville Community Education. This Council consists of thoughtful community leaders who meet four times per year: March, May, September, and December to advise the Community Education program.

The number-one responsibility for an advisory board member is to give advise. Advisory boards do not have any legal authority, therefore all of their responsibilities are assigned at the discretion of the program director and/or school board. The purpose of an advisory board is to undertake meaningful and purposeful activities for support specific to the program in policy, planning, marketing, evaluation, public relations and sometimes fund raising. We would be very grateful to have your thinking as we go forward. The responsibilities of Advisory Council members are to:

- Attend at least two meetings per year, each held on a weekday from 4:45pm-5:45pm, email or phone responses, comments and suggestions in lieu of attendance is acceptable.
- Contribute your expertise and thinking to the current and future work of Community Education
- Allow Community Education to publish your name as a member of the Advisory Council

In return, Community Education promises you:

- Meetings that start and end on time
- An appreciation of your time and a commitment not to abuse your time or your generosity
-

Roster of current Advisory Council members include: Deb Hoffman, Ethel Swenson, Joan Hasslen, Glen Radermacher and Donette Herberg.
